

A Drive Down Memory Lane

Come along with Thornleigh Car Club for a full day social drive as we travel to sites of over half a dozen long lost race tracks of Western Sydney. You will get to drive on some of the circuits, see what is left or remember where the circuit once was. This is a fully route charted event making this event, a very relaxing day for everyone.

Drive around the track that was meant to be the site for one of the rounds of the Australian Grand Prix. See what is left of another race track mere metres away from where TCC runs an event each year. Never got the chance to drive down the main straight of a few of the tracks that the V8's raced on? Well, here's your chance.
